Subject: RE: Notice of Missing Information

Mr. Henson,

Due to population of the areas we serve being less than 10,000 people, we should be exempt from the requested filing because the population in the counties were service in KS is below 10,000 people. We cover Cheyenn County (population 2670) and Sherman County (population 5806). Please confirm this is correct and reply if anything further is needed from me.

My apologies for not getting this information to you sooner.

Respectfully,

Certified General Appraiser
